To whom it concerns,

I did an IRA Distribution Training workshop in conjunction with NF Communications. Although I am a nationally known IRA expert, speaker and author, their marketing expertise was invaluable in filling the training with attendees.

I found them to be innovative marketers making the training an outstanding success. In fact, I offer my newsletter, "Ed Slott's IRA Advisor" whenever I give a talk. The attendees that NF Communications brought to the training purchased five times as many subscriptions as normal. They were a super-quality group.

I highly recommend NF Communications as a joint venture partner.

Sincerely,

A handwritten signature in black ink that reads "Ed Slott". The signature is stylized with a large, sweeping flourish that extends under the name.
